

1
00:00:02 --> 00:00:06
Phishing is a fraudulent email that tricks you into sharing confidential bank account details.

2
00:00:06 --> 00:00:09
Here's how it works:

3
00:00:09 --> 00:00:12
You get an email claiming to be from HSBC.

4
00:00:12--> 00:00:14
It claims that your account is at risk

5
00:00:14 --> 00:00:17
and needs you to click on a link.

6
00:00:17 --> 00:00:21
Giving fraudsters direct access to your information.

7
00:00:21 -->00:00:23
Protecting yourself is simple.

8
00:00:23-->00:00:24
Don't click.

9
00:00:24 --> 00:00:25
Don't reply.

10
00:00:25 -->00:00: 26
Report it.

11
00:00:27 -->00:00: 28
Stay alert

12
00:00: 28 --> 00:00:30
and when in doubt call us directly to verify.
